

THIS WEEK AT LORNSHILL 11/10/24

PARENT INFORMATION SESSION 2

On Tuesday 8th October we enjoyed our second parent information session of the year. Thanks again to all parents who signed up and came along to hear about key school priorities and to discuss all things Lornshill. We had over 70 parents signing up and again the meeting was well attended.

Mr Taylor shared the new plans for our curriculum with changes starting next session and more importantly why we are proposing the changes. We look forward to engaging with the parent volunteers who have agreed to support our curriculum development.

Mr Arnold provided an update to our school priority of Inclusive Education. He shared the significant progress made to date and the plans for this session to improve further. Again, we are grateful to those parents volunteering to work with Mr Arnold and the staff to take this forward.

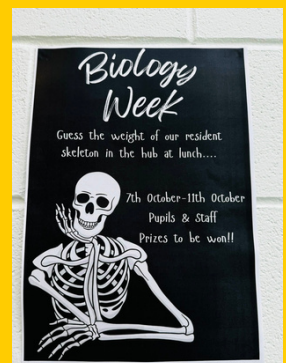

Mr Black shared general school updates and we enjoyed discussion around several areas important to parents.

Session 3 takes place on Thursday 28th November at 7pm please come along and hear more about what's going on in Lornshill.

BIOLOGY WEEK

Our Science department have been celebrating Biology week with students this week across a wide range of activities.

This has included a Biology spelling bee and Biology Bake Off.

FORTH VALLEY COLLEGE

On Wednesday 30th October, students will have the opportunity to speak with Forth Valley College staff in school about part and full time college courses for session 2025/26. This will be offered to S3-S6 pupils.

S3 HISTORY

Our S3 History students had a brilliant experience learning about what life was like in the trenches with The Argylls' Museum coming out to visit us. This brought to life many aspects they had studied in class.
