

THIS WEEK AT LORNSHILL 29/11/24

16 DAYS OF ACTIVISM

Every 10 minutes, partners and family members killed a woman intentionally in 2023. The crisis of gender-based violence is urgent.

The "16 Days of Activism" aims to raise awareness of this and we are supporting it through holding assemblies alongside a series of whole school and community based events.

Look out for our pupil led videos on our social media pages as these will continue to pop up over the remainder of this campaign.

JUPITER ARTLAND VISIT

Our Advanced Higher, Higher and National 5 Creative Industries students had an inspiring day visiting Jupiter Artland on Wednesday. This has provided them with many ideas for their creative projects.

FLU VACCINATIONS

Please note that these will take place for students between Tuesday and Thursday next week.

Tuesday – S1, S6 & S2 Devon

Wednesday – Remaining S2, S3 Devon, Forebraes, Grange

Thursday – S4, S5, remaining S3

FUTURE CHEF

Well done to Joyce Dheedene from S3 for taking part in the FutureChef competition this year in Forth Valley College, Stirling. The competition was tough but Joyce cooked really well and got some great feedback and encouragement for next year from the judges and professional chefs. Graeme Strachan the Programme Manager from the Springboard charity organisers said he had eaten a lot of Chicken Kormas in his time and Joyce's was "one of the best I've ever tasted".

S3 JUNIOR LEADERS

Our S3 Junior Leadership Team were fantastic during their first session on leadership. They analysed aspects of leadership and the importance of excellent communication. A great start from an amazing bunch of students!

Bike & Boards Pop-up Success

Thank you to all those who came along to the lunch pop-up hub on Tuesday. There was a great turnout of pupils trying out the bikes and longboards, as well as those who just came to have a chat with Craig and pick up some freebies! There was interest in more lunchtime activity so look out for more details coming very soon!

Map Skills for Maths

Starting next week, Craig will be helping with map reading skills and effective route planning with a maths class in the Learning Centre.

Looking at different map scales, features and navigating. Working to plan and follow their own planned routes.

Map skills are great to have and can link very well with the Duke of Edinburgh award, bringing together useful life skills for the future!
