

THIS WEEK AT LORNSHILL 07/03/25

WORLD BOOK DAY 2025

We were delighted to mark World Book Day with a range of events across the school. Our pop-up bookshop and Big Booky Bake Off were particular highlights and well done to all of those involved.

PATHWAYS INTO ENGINEERING

Some students participated in an engineering workshop delivered by Trillium Flow manager Niall and apprentice engineer.

Students learned valuable information about pathways into engineering.

GETTING READY FOR LIFT-OFF!

Our senior Physics class had a great day this week learning about human spaceflight, thanks to the National Space Academy. Students even had the opportunity to try on a space suit in what was a memorable and engaging day.

WORLD OF WORK TASTERS

Our senior Lornshill students got hands-on this week with construction careers being the focus of these sessions. Students had the chance to meet with industry experts in what was a very informative session.

Bike Event - coming soon!

Personal Development class pupils are organising a bike event coming up at the end of the month. The group are currently working through their SQA Bike Maintenance alongside organising their own event with a variety of bike related activity.

New Active Learning & Personal Development

Craig has new groups underway now at Lornshill. We have a small group focusing on outdoor & active learning incorporating cycling and walking.

There is also an S3 Personal Development class who are starting a project to learn then teach a skill to another class using bikes, scooters or skateboards. They will also be producing a short film of their project as inspired by Danny MacAskill!

Lunchtime Pop-ups

Following the February break, there has been a weekly pop-up at lunchtime on a Tuesday down at the running track. There has been a mix of bike and skateboards for pupils to come along and have some fun on! These will continue as regular as possible. Pupils can just come along and have a go!
