Dear Parent/Carer,

Education Scotland Thematic Inspection: English Language and Literacy

Inspectors from Education Scotland will be visiting our school to conduct a thematic inspection focusing on English Language and Literacy across the curriculum. This visit is scheduled for the 18th and 19th of March 2025.

During their time here, inspectors will meet with staff to gain insight into our teaching approaches and will observe lessons across all subject areas. They will also engage with groups of pupils from all year groups and stages.

It is important to note that this is a thematic inspection, not an evaluative one, and therefore no formal report will be published. Nonetheless, we are keen to ensure that all visitors experience the best our school has to offer. Assemblies this week will address the Education Scotland visit, and I would like to thank you in advance for your continued support in ensuring your child arrives at school punctually and in full school uniform.

I welcome this opportunity for Education Scotland to observe and engage with our exceptional pupils and staff.

Yours sincerely,

T Black
Headteacher
