

THIS WEEK AT LORNSHILL 16/05/25

SOCIAL MEDIA CONSULTATION

We'd like to say a huge thank you to those of you in our school community who took part in our recent social media consultation. As a result of the feedback given, we will be moving our social media presence over to Instagram and Facebook. You will be able to find us @lornshillacademy on Instagram with regular updates from next Monday.

FIRE SKILLS COURSE

It has been great to see some of our students working with the Scottish Fire & Rescue Service this week to develop their skills around teamwork and leadership.

These experiences go across the three Clacks secondaries and thank you to Mr Maginnis for making this happen.

PARENT INFORMATION SESSION 6

On Tuesday evening, we held our 6th Online Parent Information Evening. The agenda addressed key topics, including the new school timetable and what pupils and parents can anticipate following the SQA examinations for our S4, S5 & S6 pupils. Once again, we enjoyed a valuable discussion spanning various subjects, from celebrating pupil achievements to guidance on course selection. We also shared updates regarding upcoming school events and informed of the new teaching staff who will be joining us in August across a range of disciplines.

Our final session of the academic year will be our Annual General Meeting (AGM), and all parents and carers are warmly invited to participate in the discussions or simply listen to the proceedings. The AGM is scheduled to take place online on Wednesday, 11th June at 7:00 pm. We encourage you to attend, and details regarding the access link will be shared in the weeks leading up to the meeting.

IDEA AWARD

S1 pupils have been continuing to work hard in Digital Technologies to achieve their Bronze awards for the Inspiring Digital Enterprise Award (IDEA). This award develops digital, enterprise and employability skills as pupils work through a series of online challenges.

We would like to congratulate Aiden M and Myka R who have now achieved their Bronze awards this week by earning 250 points through the completion of the challenges. Well done!

SDS SURVEY

Skills Development Scotland (SDS) would like to find out how you talk to your child about careers and your awareness and use of our services. Your feedback will help them to understand your needs and how they can improve their services.

The survey should only take 10 minutes and it will be open to responses until Friday 30th May 2025.

All participants have the chance to win one of four £100 Amazon gift cards. To enter the prize draw, please leave your details at the end of this survey.

YOUNG SCOT AWARD FINALIST

We are delighted to share that S5 student Seren has been shortlisted as one of four finalists in the Young Scot Awards 2025, within the Sport & Physical Activity category. She was selected from over 400 nominations due to her volunteering work in sport and promoting sporting activities to young people. We are extremely proud of Seren's achievements and her brilliant efforts in these areas.

We'd also like to wish former student Kyle Blain the best of luck in the Arts & Culture category as well!
