Dear families,

We would like to extend a huge thank you to of you who attended our "Digital Drop In" event last Thursday. It was a fantastic opportunity to meet with many of you and provide support around our key digital platforms, including Progress, Google Classroom, and SchoolCloud. We are incredibly grateful to our staff for giving their time to provide this valuable support and we hope to run another session later in the year to continue this work.

This is a reminder that there is still time for families of S1-3 students to sign up for our Family Quiz Night next week. The event will take place on Thursday 2nd October, from 6:00pm to 7:30pm. Please use the following link to complete a short Google Form to let us know if you'll be joining us: <https://forms.gle/CUotL4CtDgmrDsZE7>

We are also pleased to share a great initiative from PC Arundel, our campus police officer. PC Arundel has managed to source a supply of brand new bike security chains for students. The plan is for students to be able to borrow a chain from the front reception, signing it out at the beginning of the day to secure their bike, and then returning it at the end of the school day. This initiative aims to help prevent bike theft and is supported by our Business Support team.

For those with students taking final exams, please note that the SQA timetable has now been published for this session. It can be accessed directly from the SQA website at the following link: https://www.sqa.org.uk/sqa/files_ccc/ng-2026-exam-timetable.pdf Additionally, the SQA will release the outcome of appeals to schools on Thursday 2nd October. Where a candidate's grade has changed through this process they will be notified by the Faculty Head on Friday 3rd October.

Finally, we are excited to announce that our Term 1 Rewards event for students who have met our ABOUT standards will take place on Friday 10th October. Students will be informed next week whether they are eligible to attend.

We wish you all a well-deserved good weekend.

Kind regards,

Lornshill Academy
