BRITAIN'S GOT TALENT VINNIE MCKEE CONCERT

On Thursday 23rd April, pupils from Lornshill Academy performed a sold out concert at the Glasgow Royal Concert Hall as part of the Clackmannanshire Schools Chor with Britain's Got Talent Star Vinnie McKee. The performance was outstanding and this was a great opportunity to showcase talent to a wider audience.

As part of the Developing the Young Workforce initiative, S3 Construction Academy pupils recently gained an exclusive behind-the-scenes look at the new Lochie's School and Wellbeing Hub development. Pupils toured the facility to see architectural plans transition into reality, observing the foundations for the new aquatic zones and the installation of massive steel frames for the sports hall. This experience was made possible through an ongoing partnership with the Robertson Group and we are incredibly grateful for this opportunity and eagerly anticipate returning later this year.

CHILDCARE ACADEMY

This week, we were delighted to welcome Heather and Shannon from Glenview Cottage Nursery back to Lornshill to deliver the fourth session of our Childcare Academy. The focus of this session was on the nursery curriculum, giving pupils a valuable insight into early years learning and development.

Our first group of S3 pupils are now coming to the end of their six-week placements, while the final group will begin their placements in the coming weeks, putting their learning into practice.

Any pupils interested in participating in the Childcare Academy are encouraged to speak to Mrs Taylor, our DYW School Coordinator, for more information.
