

WHAT'S BEEN HAPPENING AT LORNSHILL? 11/09/26

'BUILD YOUR FUTURES' SKILLS DAY

We were delighted to host a Build Your Future Skills demonstration at Lornshill Academy for our S4 Construction Academy pupils, alongside pupils from Alloa Academy and Alva Academy.

Pupils had the opportunity to get involved in a range of hands-on, practical workshops, giving them a valuable insight into the skills, knowledge and career opportunities available within the construction industry.

'BUILD YOUR FUTURES' SKILLS DAY

A huge thank you to our employer partners Kilmac, FES and Scot Roofers for giving up their time, sharing their expertise and providing such an engaging experience for our young people.

It was fantastic to see pupils getting stuck in, developing practical skills and learning directly from industry professionals. Experiences like these help our young people build confidence, explore future careers and develop the skills they need for the workplace.

LORNSHILL ACADEMY CITIZENSHIP CAFE

The Lornshill Academy Citizenship Cafe is back up and running by our lovely baristas for seniors and staff during the day. This term we are excited to have the cafe open after school for any S1-6 pupils who are staying behind to study or complete homework (the drinks will be reduced at the after school sessions).

GUITAR ENSEMBLE PERFORMANCE

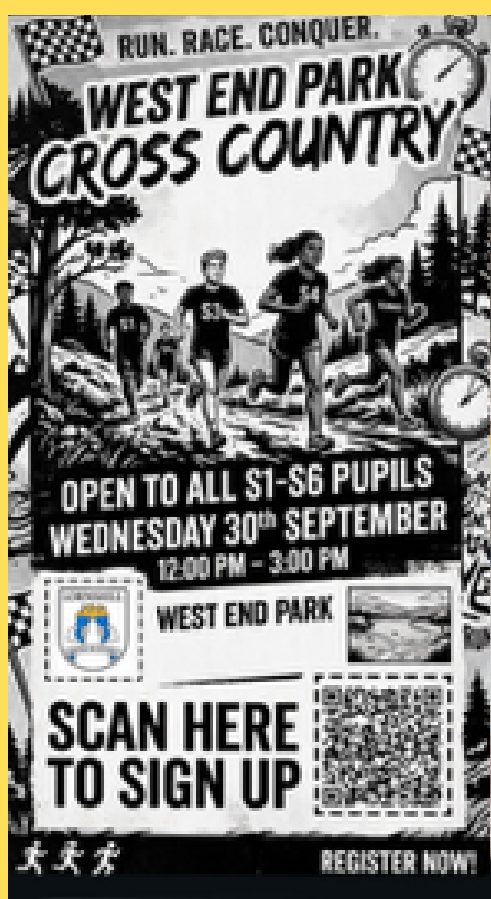

Pupils from Lornshill in Clackmannanshire Senior Guitar Group performed at the Music Education Partnership Group (MEPEG) Conference at the Royal Conservatoire of Scotland.

We are so proud to see Clackmannanshire Music represented nationally!

SPORTS UPDATES

- U13 Boys and U16 boys had their first games of the season.
- U16's beat Alloa 3-0. Well done!
- U13's lost to Dunblane but a lot of very good performances.
- School of Dance Auditions are on Tuesday 15th September
- There is space for S1 and S2 pupils in the school of rugby.
- Our U14 boys football team play against Balfron away on Tuesday 15th September.

BIOLOGY DISSECTION

The newest member of our Science Faculty, Miss Bryce, was demonstrating dissecting a cow heart for the S4 Health Sector class! The pupils have been learning about heart structures in class so it was amazing for them to see this in context!

S4 ASSESSMENT SUCCESS EVENING

On Thursday 24th September, we will be hosting an information evening for families of S4 pupils. The purpose of this evening is to give an understanding of the assessment requirements and expectations for all S4 courses. There will be an opportunity to speak to staff and, find out more about upcoming deadlines and see examples of work required. This will take place in the Assembly Hall with a breakout area in the Hub. from 5.00pm - 6.30pm. Please sign up via the link which has been emailed to you - we hope to see you there!
