ALFIE'S SUCESS AT THE SCHOOL NATIONAL GAMES FINAL

Alfie was 1 of 4 para-athletes selected to join the "Scottish Wildcats" at the School Games National Finals 2026.

The team of 22 dominated the track and field over the weekend that saw them compete against 9 other athletics teams from across the UK.

Alfie's 1st place win in the 200m frame running race helped the team secure a head start in the final event "the hunt" which saw Scotland win the School Games for the 1st time.

Alfie's finishing time was also a PB and he is now the 3rd fastest 200m frame runner in the UK across all age groups. This is an incredible achievement - we are very proud!

COMPUTING SCIENCE AI TRIP

A group of S3 and S4 Computing Science pupils visited Alloa Academy to participate in a Careers in Technology event hosted by Phoenix Software London. The pupils had the opportunity to work with their peers from Alloa, designing school emblems using AI software, fixing broken laptops and debating the pros and cons of Artificial Intelligence.

UGYM FAMILY FITNESS NIGHT

On Tuesday 22nd September, we hosted our second UGym collaboration family fitness event. Families joined together for a fun and fast paced fitness workout hosted by Greg Marshalsay. We are already looking forward to the next one!

S4 ASSESSMENT SUCCESS EVENING

On Thursday 24th September, S4 families attended an Assessment Success Evening in the Assembly Hall. This was an informative evening of sharing expectations around assessments and deadlines for the coming year. All information will be shared home in addition to the evening.
