

RMPS

National

RMPS helps us to understand society. Students will learn about, and from, religious beliefs, non-religious viewpoints, and personal experience. By exploring how religion, morality and philosophy can help people find meaning and purpose in life, students develop their understanding of human beliefs, values and behaviour. The course allows students to:

- develop an understanding and respect for different beliefs, values and viewpoints
- learn how to express their values and beliefs
- put their values or beliefs into action in ways which benefit others
- make informed moral decisions

RMPS will focus on:

- Studying, in detail, Buddhism
- Exploring the current issues of morality within the world of Medicine - Euthanasia, Use of Human Embryos, Abortion and Stem Cell Research
- Studying key philosophical and scientific questions about the Origins of the Universe and Life
