

Meet your Pathways Coordinator

Hi there! My name is Lance Pearce

I'm your school Pathways Coordinator for the Young Clackmannanshire Talent (YCT) programme at Lornshill Academy.

What is **Young Clackmannanshire Talent**?

The YCT programme is here to help young people like you. We know you have lots of potential. That's why we want to help you find your talents, grow them and use them and I look forward to chatting with you more about that!

My role as a Pathways Coordinator

I'm here to help you get started on the programme and then to help you get the most out of it! I organise and run group work activities in S1 and S2. These sessions are lots of fun and we chat about all sorts of things.

I also run our mentoring programme and help match young people up with someone who's there to help them. This is a big opportunity you can take advantage of!

Lastly, I also help with things like organising work experience and College or University visits. Ideas to help you think about your future.

I'm always available to have a chat too if you ever want to know more about the programme.
