27th October 2021

Dear Parents/Carers,

Our Senior Phase Assessment Period 1 will run from Monday 1st November until Friday 12th November. During this time S4, S5&6 pupils will sit assessments in all subjects they are studying this session. The assessments will take place during class times and pupils have been notified in advance as to when their assessments will be. If your child cannot sit an assessment due to sickness we will rearrange the assessment for another suitable time.

These assessments will give pupils a picture of how they are progressing through their chosen courses. They will be provided with detailed feedback and next steps which will allow them to prepare for Senior Phase Assessment period 2 which will take place in January.

SPA 2 will more closely match the assessments that pupils will sit in May. They will be of a similar time and style and will take place in the assembly hall and outwith class time. More information around these assessments will be given nearer the time.

Should you have any questions please do not hesitate to get touch.

Yours Sincerely
Gerry Clancy
