

Lornhill Academy

Update from the Year Heads

Monday 29 th November	Respect	Integrity	Compassion
----------------------------------	---------	-----------	------------

The final couple of days of November are upon us before we officially begin the countdown to Christmas with our advent calendars!

Our S5/6 parents' evening takes place this Thursday (2nd December) from 4.15-7.15pm. Booking will close at 9am on Wednesday 1st December. The S4 parents' evening will take place on Thursday 16th December and more information will follow about this in due course.

We are raising funds for our Christmas Concert and therefore the Lornhill Christmas Raffle is back! Tickets are £1 and can be bought from Mrs Carruthers' room in Art (Room 0-080). Amazing prizes to be won include an afternoon tea for four worth £50, a £20 voucher for Mr Singh's and a handmade gift from The Wendy House.

During the course of last week, the first of our formal Lornhill Parliament meetings took place. These sessions were used to identify areas of interest and one of the first activities to be undertaken will be a consultation on our approach to promoting positive learning behaviours in our school.

There will be a careers fair taking place next Tuesday for our S3 students. This fair will provide some of our students with the opportunity to learn more about different career options and find out what qualifications they would need for these roles.

In terms of communications with families moving forward, we will continue to send updates and important information out by Groupcall text message. Feedback from our families was that this was the preferred method of communication. We will ensure that all attachments are uploaded in a PDF format to ensure these can be accessed by all.

When it comes to keeping an eye on how your child is progressing this year, remember that you can access your child's progress throughout the school year by accessing our Didbook system. Staff are busy working away on entries and by logging in regularly you will be able to see a picture build of how your child is doing across all of their subjects.

As always, please do not hesitate to get in touch if you have any questions.

Kind regards and stay safe,

The Year Heads
