Dear Parent / Carer

As we near the end of session 20/21, I would like to take this opportunity to thank you for your continued support throughout.

This year our schools and ELCs have continued to encounter ongoing COVID related challenges, with moves to remote learning for both whole school communities and, at times, specific class groups. For the majority of you, being at home and supporting your children to continue their learning at home, alongside your own work and wellbeing, is a significant undertaking and your patience and understanding is appreciated. I would also like to thank our Clackmannanshire Education staff for their ongoing commitment to providing continuity of learning and pastoral support.

As ever the health and safety of our children, young people and staff remains our main priority. All education establishments will continue to have additional mitigations in place when children and young people return in August and these will continue to be reviewed in line with the latest Scottish Government advice and guidance.

I hope you and your family enjoy the holiday and I look forward to welcoming everyone back in August.

Please continue to stay safe.
