

Lornhill Academy

Update from the Year Heads

Thursday 6 th May	Respect	Integrity	Compassion
------------------------------	---------	-----------	------------

We were delighted to welcome back our young people after the long weekend and it's been fantastic hearing how many of them took part in activities that align with the Lornhill 5 A Day challenge. This is a challenge focused on ensuring good wellbeing and you should have received an email with information about this already. More information about this challenge can be found on the following link https://lornhillacademy.org.uk/our_curriculum/pupil_support/wellbeing/lornhill_5_a_day/lornhill_5_a_day.html

It is important to remember that all students and staff are now expected to wear face coverings throughout the school day and on school transport unless medically exempt. Students should also maintain good hand hygiene and make regular use of the sinks and sanitising stations throughout the school.

If you have returned a consent form for your child and they have not yet received their COVID-19 self-testing kits, please ask them to drop by our main office to collect these. If you require a new form these can be collected from the school office or downloaded from our website https://lornhillacademy.org.uk/_documents/%5B605663%5DLFD_Testing_Consent_Form_FEB21.pdf

To ensure the continued smooth running of the school, we would ask for your ongoing support with regards to students arriving late to school both at the beginning of the day and after lunchtime. Latecoming disrupts the learning of the late individual but also disrupts staff and other students within the school.

Our senior students continue to impress us with the hard work and dedication they are providing as they work towards providing evidence for their SQA qualifications. We appreciate that circumstances have made this a busier time of usual, but we will continue to do all we can to ensure every child receives the qualification and grade they deserve.

This week's PSE programme for S1-3 has focused on changes that may remain as a result of our recent pandemic experiences. It has been great to hear their thoughts and the honest insights into how lockdown was for them.

Finally, when leaving school at the end of the day, please remind students to avoid leaving via the car park. There have been a few near misses over the past week and we would rather ensure everyone's safety as much as we can. Please ensure that the allocated drop off and collection zones at the front of the school are used at the beginning and end of the school day.

As always, please do not hesitate to get in touch should you have any questions.

Kind regards and stay safe,

The Year Heads
