

Lornshill Academy

Update from the Year Heads

Friday 18 th June	Respect	Integrity	Compassion
------------------------------	---------	-----------	------------

As we complete the penultimate week of term, this week has seen our students move up a year group and our new timetable take effect. This time of year is always a busy one and Mr Clancy and the rest of our staff have been working hard to ensure that this switch goes as smoothly as possible. All students should now have timetables that work well and should there remain any issues, then please ask your child to see Mr Clancy to resolve these. We will continue to look at options and classes and may make some small changes in the week ahead, should this affect your child then we will get in touch directly.

For our S4-6 students, students should now have information entered into their "Provisional Grades" column of each subject in Progress. These grades will be subject to moderation and SQA approval but should give a good indication of the grade we intend to submit for each student. Letters will also be issued to families next week showing your child's provisional grades, we will send a copy home with your child but also a copy will be sent directly home. Should you need any help with accessing Progress, then please do not hesitate in touch with us via our website

Last week, we issued a reminder of our uniform but also highlighted examples of footwear that was not acceptable. When it comes to footwear and planning for next session, footwear must be all black. This still allows for a substantial amount of individual choice and all of the footwear items to the side are acceptable items to meet our uniform policy. A reminder of our uniform can be found through this link to our website https://lornshillacademy.org.uk/our_school/school_uniform/school_uniform.html

In order to try to keep everyone as safe as possible throughout this period, please continue to remind your child to bring and wear their own face covering, to clean their hands regularly throughout the day and to follow the one way system during period changeovers.

This week continues to be one of change with us having the opportunity to welcome up smaller groups of next year's S1 students and family members. Given the current situation, these have taken place beyond the normal school day but it has been great to meet our future students and their families and provide them with a tour of our school and campus. It has been strange not having any of our old S6 students around this week but after their farewell event last Friday, we know that they will keep in touch and go onto great things.

Kind regards and stay safe,

The Year Heads
