

**Senior Phase Assessment Period 2**  
**Thursday 13<sup>th</sup> January – Friday 31<sup>st</sup> January 2022 inclusive**

Attached is the timetable for your upcoming Senior Phase Assessments. Please take some time to check and highlight all exams you are sitting. If you happen to have two exams at the same time do not panic! As we are fitting a full SQA exam diet into 10 days instead of 6 weeks this is sometimes unavoidable. If this is the case then you will sit one of your exams at a different time.

This exam diet is an opportunity to show where you are at within your courses and give yourself and your teachers information as to what you still need to work on to ensure you achieve the best possible grades in the final exams in May.

If you have any concerns or worries about the timings of exams please speak to your teacher or to Mr Clancy who will find a manageable solution for you. We want to give you the best chance to show what you can do.

During the assessment period all your classes will be suspended, so you will not be missing out on any work during this time. Teachers will still be available online through Google Classrooms during your normal class times to support you during your revision and it will also be an opportunity to catch up on any coursework or assignments if you have not got assessments to study for or sit.

There are a number of pupils that receive additional arrangements for exams. If you do you, will be given an individualised timetable with any arrangements such as alternative accommodation or adjusted timings highlighted.

The school will be running as normal for all S1-3 pupils. When you are coming into school for an assessment you must still be in full school uniform.

On behalf of all the staff at Lornshill can I wish you all the very best for your exams. You are an outstanding group of pupils, work hard, believe in yourself and seek support from staff if you need it and I'm sure you will do amazingly well!!

Good Luck

Mr Clancy
