Dear Parent/Carer,

Senior Phase Assessment Period 2

Due to increasing concerns of rising cases in our local area we are prioritising the full completion of our Senior Phase Assessment period 2. There will be **no changes** to the assessment timetable currently in place, a copy of which can be accessed in the link below.

https://lornshillacademy.org.uk/documents/%5B701277%5D5_January_Senior_Phase_2_Assessment_Timetable_2022.pdf

However, we are moving the start of the study leave period for these assessments to Thursday 13th January 2022. From this date all senior phase pupils should study from home unless attending school to sit an assessment. The assessment timetable concludes on Friday 28th January 2022 with all senior phase pupils returning on Monday 31st January 2022.

Throughout the assessment period there will be online support and study sessions available. Pupils should continue to access this through their Google Classrooms.

Please contact your child's year head for any queries or concerns.
