

Lornshill Academy

Update from the Year Heads

Monday 21st March 2022

Respect

Integrity

Compassion

Our senior phase students continue to impress us with their hard work in preparation for their upcoming assessments. With only two full teaching weeks remaining, we would urge all senior phase students to draw up a study plan and use this to ensure there is a clear structure to their preparation. Should anyone need any help with this, please ask them to contact their year head or guidance teacher.

In terms of some COVID-19 restrictions remaining in schools, this is a reminder that in line with national guidance, face coverings no longer need to be worn in classrooms. However, please remember that face coverings are mandatory in all communal areas of our school building unless students are eating or drinking in the social area at interval or lunchtime. When moving around the building between classes, face coverings should be worn by all unless they are medically exempt. When we return after the Easter break, we anticipate that some other restrictions such as our one-way system and twice weekly testing will start to be phased out.

There has been a short delay to sharing further information around our S2 pathways, however this will be sent to directly to our S2 students in due course.

On Thursday this week, a team from NHS Scotland will be in school to administer to remaining S2/3 students who are eligible for this and provided consent. Please remind your child to bring some water with them on the day to ensure they stay hydrated.

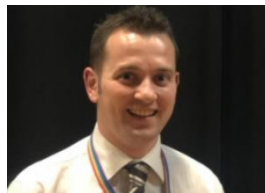

Please note that we have made some changes to the operation of our school office and moving forward, when calling the school you will be asked to leave a message and contact details rather be directed through to staff. This is to ensure greater efficiency and streamline our processes.

As always, please do not hesitate to get in touch if you have any questions.

Kind regards and stay safe,
The Year Heads
