

Lornhill Academy

Update from the Year Heads

We kick off this week by saying another well done to our fantastic senior students who continue to work their way through this year's set of exams. It has been great to see so many of them attending twilight sessions and coming into school to revise for their upcoming subjects. We have been really impressed by the dedication and commitment shown and we know it will pay off.

However, it is not just our seniors who have impressed us this week as we continue to see our S1-3 students immerse themselves in different activities across the school. It was fantastic to see so many of our families get involved in our "Cooking with Lornhill" project over the weekend where we encourage you to cook-along with a member of our staff as they cook one of their favourite dishes. If you wish to be involved in this project going forward, please contact Mr Burrell using the details below. Our next dish will be shared next week, it's going to be a real crowd pleaser.

A group of our S2 students were also great ambassadors for the school yesterday when they were working with students from Alva and Alloa Academies on how we can connect fully with our local communities. On top of this, we have a great group of S3 students who have been working with the University of Stirling on how we can do our bit as a school and community to take greater care of our environment. There are always lots of ways for students to get involved in the wider life of the school and we'd urge you to encourage your child to do so.

Over the next couple of weeks, we will move to issue Chromebooks to all S1-2 students whose families have completed the Google Form sent to them in relation to this. There has been a short delay in getting these distributed, however they will be given out soon. Should you have any issues with this, please contact the relevant year head using the contact details below.

As we move into the warmer weather, we would like to remind all families of our school uniform policy. Our uniform is a black blazer, white school shirt with a school tie, black trousers or skirt, black jumper or cardigan with no logos and plain black footwear. Should you require any support with any of this then please do not hesitate to get in touch with us.

This is a reminder also that the Lornhill Connection events for parents of our current S1/2 students take place next Tuesday. These events take place at 4pm and 6pm and will provide the opportunity to hear about our school, tour the building and meet some staff. We are looking forward to welcoming you to the building!

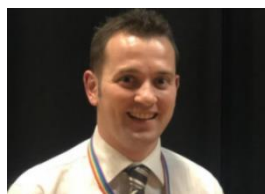

We are now planning for session 2022/23 and are really keen to hear your views on how parents' evenings should take place next year now that restrictions have lifted. Please share your views via this link, it will only take a couple of minutes

As always, please do not hesitate to get in touch if you have any questions.

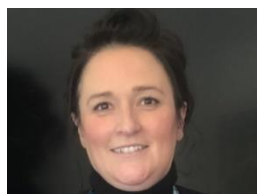

Kind regards and stay safe,
The Year Heads
