

Lornshill Academy

Update from the Year Heads

Monday 23rd May 2022

Respect

Integrity

Compassion

As we work through the remaining exams over the next couple of weeks, it seems a useful time to update you about some changes that will happen for the change of timetable. Our current S1-3 students will move up into their new year groups on Monday 30th May and timetables will be issued to them on this day if not beforehand. Our senior students (new S5/6) will return the following week.

During the course of this week, you should receive a letter to inform you of the changes to our house structure and to confirm your child's tutorial class for next session. Should you have not received this letter or have any questions in relation to this, please contact Mr Arnold using the details below.

Tomorrow night, we re-open our doors to welcome the parents of current S1/2 students to our school as part of our parental engagement plan. This is an opportunity to tour the school, meet some staff and ask any questions you may have whilst having a coffee and being able to meet other parents. We would be delighted to see as many of you as possible at the sessions and they begin at 4pm and then again at 6pm.

The vast majority of our S2 students have now been issued their Chromebook and should your child not have received theirs yet, please fill in the Google Form that was recently sent by text message. Over the next few days, we will move to issue Chromebooks to all S1 students whose families have completed the Google Form sent to them in relation to this.

As we move into the warmer weather, we would like to remind all families of our school uniform policy. Our uniform is a black blazer, white school shirt with a school tie, black trousers or skirt, black jumper or cardigan with no logos and plain black footwear. Should you require any support with any of this then please do not hesitate to get in touch with us.

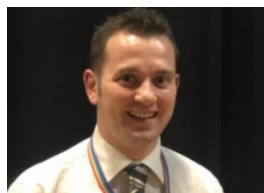

In terms of what else has been happening in and around Lornshill Academy, we are delighted to share that our next group of S2 students are undergoing their training to be Columba 1400 Ambassadors. They have already impressed us with their positive attitudes to this and we know they will do us and themselves proud in the week ahead. We were also delighted that a group of our Geographers were able to visit Loch Lomond last week to carry out fieldwork relating to their course. The weather was kind to them and a productive day was had by all!

As always, please do not hesitate to get in touch if you have any questions.

Kind regards and stay safe,
The Year Heads
