

Lornhill Academy

Update from the Year Heads

Tuesday 7th June 2022

Respect

Integrity

Compassion

We were absolutely delighted to welcome back our new S5 and S6 students after the exam period for this year came to a close. It is great to see the school nearly full again and we are looking forward to our new S1 students joining us after summer.

On that note, tonight we will welcome families of some of our new S1 students to the school for the opportunity to meet staff and tour the school. There will also be information available about other important issues such as how we report and our school uniform.

At this point therefore, we would like to remind all families of our school uniform policy. Our uniform is a black blazer, white school shirt with a school tie, black trousers or skirt, black jumper or cardigan with no logos and plain black footwear. Should you require any support with any of this then please do not hesitate to get in touch with us.

On Thursday next week (16th June), the NHS immunisations team will be back in to deliver the MMR/Diphtheria/Tetanus vaccine to those who have consented but not yet received it. These are follow up immunisations from those that took place earlier this year and students from across different year groups will be called down throughout the day.

This Thursday also sees the final event involving our old S6 students as their prom takes place in Airth Castle. This is sure to be an excellent occasion and will be a chance to wish them well as they continue on their journeys beyond Lornhill.

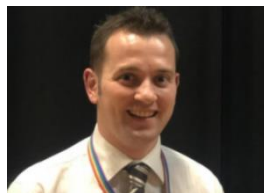

Finally, a reminder that over the last few weeks, we have engaged our families and staff in terms of preferences for how parents' evenings should be conducted next year. In both surveys, the majority of those who responded opted for parents' evenings to be conducted in person. We will now move to planning out what these will look like next session and will provide more information about this in due course.

As always, please do not hesitate to get in touch if you have any questions.

Kind regards and stay safe,
The Year Heads
