

Lornshill Academy

Update from the Year Heads

Tue 16th August 2022

Respect

Integrity

Compassion

Now that the summer break is over, we are thoroughly looking forward to welcoming back our young people tomorrow morning. Whilst we are excited to welcome back all of our students, we are particularly looking forward to welcoming our new S1 students as their first day in secondary school begins.

There has been a slight change as to how students should enter the building at the beginning of the day with S1-3 students coming in the existing doors at the Hub but with S4-6 students now entering via the two doors between the outside server and main entrance. Staff will be on hand tomorrow and the rest of this week to help with this small change.

As this year begins, we would like to take the opportunity to highlight the success of our students in this year's qualifications. It has been a truly record breaking year for Lornshill Academy and the results achieved by students this year are the best in the school's history! We could not be any prouder of all of our young people and we will use these fantastic results as a catalyst to ensure that all of our young people this session achieve great things.

For new S2-S6 students whose families have completed the relevant paperwork, Chromebooks were issued before the summer break. The Chromebooks will be used frequently this year and we would therefore ask that if your child does not yet have a Chromebook to contact our main office. For families of our new S1 students, a message was issued before the summer break to collect details. Again, should this message not have been received, please contact our main office and they will pass on your details to Mr Clancy who oversees the distribution of our Chromebooks.

We would also like to take opportunity to remind you of our school uniform policy. Our uniform is a black blazer, white school shirt with a school tie, black trousers or skirt, black jumper or cardigan with no logos and plain black footwear. We are always happy to help if needed and should you require any support with any of this then please do not hesitate to get in touch with us.

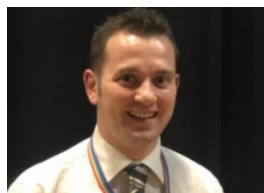

Finally, we would like to take the opportunity to welcome our new members of staff for the session ahead. Miss Tait will join us in English; Mrs Anestiskova and Mr Jackson will join us in Social Subjects; whilst in Science we welcome Mr McInnes, Miss Nicholl, Miss Ballard and Mr Nicol. All of our new staff are excited to begin their Lornshill journeys and cannot wait to meet our young people tomorrow.

As always, please do not hesitate to get in touch if you have any questions.

Kind regards and stay safe,
The Year Heads

Mr Arnold (S1-3)
