

Lornhill Academy

Update from the Year Heads

Mon 29th August 2022

Respect

Integrity

Compassion

This week sees us move into September and it's unbelievable how quickly the first few days back have gone.

We continue to be impressed by the high standards being achieved by our students when it comes to paying attention, showing respect and being responsible members of our school community.

Each year group has had their first assembly and this focused on school standards around attendance, behavior, organisation, uniform and timekeeping. These are key areas for us as a school and are really important to ensuring that we remain to be a school who work together to achieve great things. This week, there will be the first House assemblies and these will be an opportunity to start to focus on the achievements and accomplishments of our students. This will be the first assembly for our newly formed Ochil house and we know that Mrs Dixon and the other house heads are looking forward to seeing their students.

We would also like to take the opportunity to remind you of our school uniform policy. Our uniform is a black blazer, white school shirt with a school tie, black trousers or skirt, black jumper or cardigan with no logos and plain black footwear. We are always happy to help if needed and should you require any support with any of this then please do not hesitate to get in touch with us.

Flu vaccinations are set to take place towards the end of September with S1-3 occurring on Monday 26th September and S4-6 on Tuesday 27th September. Consent forms were issued last week and these need to be returned by the end of this week.

We received some further good news last week as we were awarded the "Cycling Friendly School Award" from Cycling Scotland. Cycling Scotland were really impressed by the work done by the school around this and we'd like to thank Jodie and the rest of the Active Travel Hub for their huge levels of work! Without them, this award would simply not have been possible.

A project of
Forth Environment Link
LINKING PEOPLE AND THE ENVIRONMENT

Finally, our first school event of the year is due to take place on Thursday 8th September and this is an Open Evening for families of our new S1 students – more information will follow about this in due course but keep your diaries free!

As always, please do not hesitate to get in touch if you have any questions.

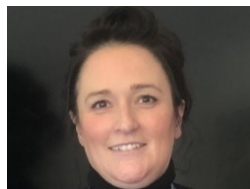

Kind regards and stay safe,
The Year Heads
