

Lornhill Academy

Update from the Year Heads

Mon 12th Sept 2022

Respect

Integrity

Compassion

We continue to work our way through what is a busy wee term in Lornhill Academy. Over the last week, we had our first Parliament Week when representatives from Lornhill Parliament held a stall in the Hub area at lunchtimes to promote the group to others and provide the chance for anyone who was interested to sign up and get involved in future.

Please remember that Chromebooks will be used frequently in classes this year and we would therefore ask that if your child does not yet have one to contact our main office who will pass on your details to Mr Clancy who oversees the distribution of these. A reminder has gone out to families of our S1 students to complete consent forms if this has not already been done.

We would also like to take opportunity to remind you of our school uniform policy. Our uniform is a black blazer, white school shirt with a school tie, black trousers or skirt, black jumper or cardigan with no logos and plain black footwear. We are always happy to help if needed and should you require any support with any of this then please do not hesitate to get in touch with us.

Flu vaccinations are set to take place in two weeks with S1-3 occurring on Monday 26th September and S4-6 on Tuesday 27th September. Consent forms should have already been returned by now and groups will be tannoyed down on the day to receive their vaccinations. Please ensure that your child has access to water on the day of their vaccination and is not wearing tight fitting clothing.

This Wednesday, all our seniors will be invited to attend the above event to assist them with their plans beyond schooling. It has been a few years since we have run this event but it is always a good way for our pupils to find out about different courses and opportunities. There are over 20 exhibitors coming along all with a wide and varied range of options.

Finally, we are grateful to all of the family members who attended our S1 Open Evening last Thursday. The evening was a huge success and it was great to see so many of you in the school. As we said on the night, if there are any other questions that you need help with, don't hesitate to contact the year heads using the details below. More information will follow later on with regards to the planned P7 Open Evening later this week.

Kind regards and stay safe,
The Year Heads

Mr Arnold (S1-3)
