

Lornshill Academy

Update from the Year Heads

Monday 26th Sept 2022

Respect

Integrity

Compassion

It is certainly starting to feel a bit autumnal in and around our campus this week and as the wetter weather comes in, please ensure that your child brings a coat to school to keep them as dry as possible. Please remember to reach out if this is something that we can help with.

Please remember that the S3 Parents' Evening takes place sharply after the October break. This will be an in-person event and further information will be issued in due course about booking and how to do this. We anticipate that demand for this event will be high and therefore urge families to do this promptly to avoid disappointment.

Flu vaccinations are taking place this week with S1-3 occurring on Monday and S4-6 on Tuesday. Consent forms should have already been returned by now and groups will be tannoyed down on the day to receive their vaccinations. **If no consent form has been returned, a new one will be issued by NHS staff - this needs to be completed and returned before the vaccinations can be given.**

We are absolutely delighted to share the names of our Climate Change Forum nominees and Pathfinders for the year ahead – these roles will be carried out by S3 students Isla, Mhairi and Seren. As part of this role they will work with our other Clacks secondary schools and other organisations to try to shape environmental policy in and around our local area.

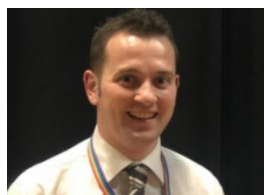

Staff across the school have been inputting their information about student progress into Didbook and will continue to do so in the weeks ahead. This information will provide information to you and your child about how best to improve their learning in each of their subject areas and should be received regularly. Should you have any difficulties in accessing Didbook, please contact Mr Burrell using the details at the bottom of this update.

We would also like to take opportunity to remind you of our school uniform policy. Our uniform is a black blazer, white school shirt with a school tie, black trousers or skirt, black jumper or cardigan with no logos and plain black footwear. We are always happy to help if needed and should you require any support with any of this then please do not hesitate to get in touch with us.

Kind regards and stay safe,
The Year Heads

Mr Arnold (S1-3)
