

Lornhill Academy

Update from the Year Heads

Monday 7th Nov 2022

Respect

Integrity

Compassion

It has been another busy week at Lornhill Academy with lots going on. Our senior phase assessments continue this week and provide the opportunity for our S4-6 students to show their learning so far across their subjects. As well as this, we hosted our first Climate Change Forum which was held by Clackmannanshire Council. These will become more regular throughout this year so if this is something that you want to be involved then please contact us to find out more information.

Our S3 Parents' Evening takes place this Thursday and will run between 3.45-6.15pm. This is an in-person event and a link has already been sent to families later today or tomorrow about booking and how to do this. We are thoroughly looking forward to engaging with everyone who can make it on the night. The S5/6 evening takes place next and this is on Thursday 1st December.

Staff across the school have been working hard over the past few weeks inputting their information about student progress into Didbook. This information will provide advice to you and your child about how best to improve their learning in each of their subject areas and should be reviewed regularly. Should you have any difficulties accessing Didbook, please contact Mr Burrell using the details at the bottom of this update.

In the very near future, you will receive a letter showing your child's attendance. This is part of our strategy to try and improve attendance for all learners and will include information about why a high attendance figure is important.

We would like to remind students and their families about our mobile phones policy as we have encountered a few issues relating to this over the past few weeks. Mobile phones are not permitted to be used at all in our corridors or classrooms. They should remain in students' bags (out of sight) or be handed into the teacher at the beginning of each period if this is not possible. Should there be an issue with this, then contact will be made with home to address the issue.

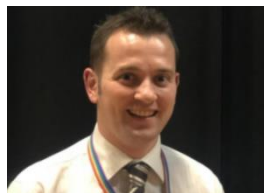

As always, we are grateful for your ongoing support and please do not hesitate to get in touch should you have any questions.

Kind regards and stay safe,
The Year Heads
