Dear families,

The warm weather this week has brought some challenges for us all and as a school, we have been doing what we can to ensure that conditions within the school remain as comfortable as possible. On Wednesday we reminded families of the requirements for students to wear school uniform and we are really grateful for your support in the vast majority of cases. We have outlined a reminder of our uniform policy below, including our position on shorts.

With temperatures due to drop next week, it is important that all students attend school in uniform. From a security point of view it is important that we are easily able to identify members of our school community in the building and across the wider campus.

S4-6

- White shirt
- Black trousers or skirt
- Black tailored school shorts (Available from supermarkets & Scotcrest)

- School tie (Senior)

S1-3

- White shirt
- Black trousers, leggings or skirt
- Black tailored school shorts (Available from supermarkets & Scotcrest)

As a school, we strive to have excellent relationships with our young people and with home whilst maintaining high standards. However, should you wish to discuss anything about your young person's experience here at Lornshill Academy, please do not hesitate to contact us.

Yours sincerely,

The DHTs
