SCHOOL UPDATE (1st September 2023)

Lornshill Academy values our strong working partnerships with our parents and carers. Below is some relevant information that we wish to share.

The academic session is well and truly underway. Our young people have settled well back into their learning routines as we build momentum towards what will be another very busy year.

This session we have a focus on our young people working to the highest standards in all that they do. We have been fortunate again to see so many of our seniors last session do well in the SQA examinations. This was the result of their efforts each and every day starting in their S1!

Next week we will bring together our House teams and again take the time to focus on standards and celebrate the great start to this session.

Everything matters! Doing our best in every task, preparing and contributing to learning and being an active member of our school community makes the difference. We are looking forward to the many successes and achievements of our young people throughout the year.

Lornshill News & Events

This term we have a few opportunities for parental engagement and we hope to see as many parents and carers as possible at the following:

S1 Open evening Thursday 7th September

S3 Open evening Monday 25th September

S2 Open evening Monday 2nd October

P7 Open evening Thursday 28th September

(look out for more specific information in the coming weeks)

Also, on Thursday 28th September we look forward to welcoming the Quality Improvement Team who will spend a day in classes speaking to pupils and staff to support our own improvement journey.

We also had our first online parental engagement session and at the end of term we will host the National Curriculum Conference for staff across the country.

Parent Online information Session 1

Our first online session took place last night and again we enjoyed the opportunity to engage with so many of our parents and carers.

We discussed and shared information on,

- Parent council activities (Blazer drive)
- Pupil standards and expectations
- Opportunities for parental engagement this session

Please see the notes of the meeting that will be posted on the website in the parent council section.

School Attendance

Please use the address below to find out more about the importance of school attendance.

No safe threshold
for absence
**EVERY DAY
COUNTS**

Parents and Carers Video -Attendance - YouTube

Finally.....

We would like to thank you again as our parents and carers for supporting our school community and contributing to our ever building success. Our early spot checks this session show that,

- ✓ **Over 760 pupils are achieving 95% and above for their school attendance. Every day matters!**
- ✓ **Over 900 pupils have never been late to school and or class.**
- ✓ **97% of pupils are wearing full school uniform.**

Thank You!
