Dear parent / guardian,

Welcome back

I hope all of our families enjoyed the recent summer break and we now look forward to the session ahead. I am delighted to report that our recent school SQA results were again very successful and showed a further increase in the number of passes achieved by our young people. This is without doubt down to the work of the young people, staff and families.

I would like to welcome all of our new S1 families and we look forward to working with you now that the transition is finally over and the new S1 are part of our learning community.

To all parents and carers, I wish to say a sincere thanks for your support with our young people looking incredible in their uniform and making a strong commitment to being part of our learning community. The number of pupils wearing full uniform including our school blazer has increased significantly and it makes a difference, thank you.

As always, we have a very busy year ahead with many opportunities not only for our young people, but also our families to get involved. Please see the calendar on our website and lookout for our regular updates to find out what is going on and how you can participate in the life of our school community.

Kind regards

T Black
Headteacher
